

## Health is our business

Make it yours. At Kaiser Permanente, we realize that it takes more than expert medical care to be the nation's leading nonprofit integrated health plan. It takes advanced technologies, state-of-art facilities, and the people to support them. Come impact your future, and the future of care. Join us in Fresno, California.

### Sr. Learning Consultant

In this role, you will assess and analyze management training and developmental needs while developing strategic plans for the development of training curricula, professional development, and related consulting interventions. In addition, you will conduct and/or coordinate the programs and work independently with significant latitude to make decisions.

#### Qualifications include:

- Extensive experience designing and administering education and training programs for a diverse client group with limited resources
- Previous experience managing multiple projects simultaneously
- A master's degree, or equivalent experience in behavioral Sciences, Education, or related field
- Expertise in the principles of group dynamics, adult learning theory, consulting, and training/development techniques
- The ability to travel within the United States 30% of the time
- The ability to work in a Labor/Management Partnership environment
